

Early Registration

Please register as early as possible. This event will fill quickly. We will limit our space to 90 participants so that there is plenty of

room for seminar space and workspace. Our large facility will permit adequate lighting and table area for each cropper and your projects. You may want to bring an Ott light for fine detail work. Please bring your own long extension cords and power strip. You are encouraged to bring your own supplies. Vendors will be present to provide door prizes, demos and have products on display for purchase.

PLEASE NO CHILDREN! This is a retreat, which requires focused project time.
